

Alternative Credit Project™ Course Selection Guide

Students: You might find more than one course provider offers a course you need, or you might find the college or university you wish to attend accepts a course from one provider but not another. Use this Guide to select which courses you need to complete based on the courses your chosen college or university will accept. Then visit the course providers' website to register for and complete your course(s). When you're ready to transfer, request your ACE® transcript for the courses you completed, regardless of the course provider.

The course providers in the project include: [Ed4Online](#); [edX](#); [Pearson Learning Solutions](#); [Saylor Academy](#); [Sophia Learning](#); [StraighterLine](#).
